SECRET LIFE OF PETS 2**

Thank you for participating in our Summer movies AT HOME series. We've designed a special set of activities for you and your family to enjoy. Each set of activities will be themed to match the week's movie selection.

Step 1: Decide How You Will Watch

You can view movies on your TV, tablet or phone. This particular movie is available to stream on Netflix, or rent on Redbox and Amazon Prime Video. You can view the movie at anytime that works best for you.

Step 2: Plan Your Activities

Scroll through our activity, craft and recipe ideas to decide how you'd like to play along. Shop for any missing items on the "ingredients" list, and block time in your calendar to watch the movie with your family and friends.

Step 3: Set Up Your Space

Bring the outdoors inside. Set up your living room like you would at the park. Pull together your blankets and lawn chairs, or even a picnic!

Step 4: Enjoy The Show!

Now that you have completed all the steps above, sit back, relax and enjoy the show! Feel free to share your completed activities with us on Facebook. We would love to hear from you!
